In the wake of COVID-19, the Monticello Area Chamber of Commerce recognizes that the next several weeks will yield many unknowns, challenges and potential financial hardships for small businesses/organizations. Therefore, we continue to look for ways that we can provide assistance. As shared last week, we applied for and received a grant from Fareway Stores, Inc. for \$2000 in gift cards to be distributed to those in need of assistance. This week, a member of the community generously donated another \$1000 to be added to the pool of funds to be distributed.

Eligibility: Applicants must be a current member of the MACC, Inc. (effective 4/1/2020) **OR** be in the Monticello 52310 zip code. (Please note: we are not requiring chamber membership for participation in this distribution, though preference will be given to current chamber members and/or applicants that have not received funds previously, pending availability).

You are welcome to apply on behalf of your business/organization, yourself or any of your employees. To be considered, please complete the brief form shared below and submit to the MACC, Inc. office by Tuesday, April 28th at noon. The applications will be confidentially reviewed and funds will be distributed by May 1.
